Friday, April 12

6:30-7:30pm

Keynote Address: Carmel Chiswick, George Washington University

A Two-Way Street: Insights from Economics for the Study of Judaism and Vice Versa

Location: Regency E

Chair: Larry Iannaccone, Chapman University

Carmel Chiswick is a Development Economist and a Labor Economist. She holds a Ph.D. from Columbia University in the City of New York, where she studied economic development and economic history. Carmel Chiswick's research in labor and economic demography includes studies of household work, family formation, and immigration. Her research on economic development deals with problems related to employment and education, especially in Thailand, and with systems of household and labor force statistics. Her recent work focuses on the economics of religion, especially as it applies to the American Jewish family, to Jewish religious observance and to American Jewish communal institutions.

8:00-9:00pm

**ASREC Reception
Chesapeake Grill**

Saturday, April 13

Registration 7:45am-3:00pm
President's Foyer
